## Join The Party and Continue the Change!

**Remember the Caucuses in 2008?** If you participated in the 2008 Caucuses and/or if you are interested in shaping the Democratic Party Platform, you won't want to miss this special Caucus to elect delegates to the State Party Convention in June. The March 14th Caucus will be a place to meet fellow Democrats, discuss issues and reinvigorate the Democratic base. Tell your neighbors, friends and family and invite them to come and hear from our Democratic candidates, and take part in running for or electing delegates to the State Party Convention.

**It's Your Party!** The Caucus is open to anyone who is registered to vote in the 37th Legislative District and is willing to publicly call themselves a "Democrat."
